Out into the wasteland  
Out into the wasteland

No religion  
No religion, no religion at all  
No religion  
No religion, no religion at all  
No religion, no religion at all

No religion  
No religion, no religion at all  
No religion  
No religion at all  
No religion

Imaginary man amongst the heathen  
Can't you see a modern primitive  
I came back, I'm gonna find  
I'm gonna give religion  
When there was, no religion at all

I'm outta the wasteland  
I'm into this head man  
I'm outta the wasteland  
No religion at all

I'm outta the wasteland  
I'm into this head man  
I'm outta the wasteland  
No religion, no religion at all

There's a man in need of resurrection  
No religion  
Can't you see a modern primitive  
No religion  
But I'm a man, I need my love and freedom  
No religion  
When there was no freedom at all

I'm outta the wasteland  
I'm into this head man  
I'm outta the wasteland

No religion at all

I'm outta the wasteland  
I'm into this head man  
I'm outta the wasteland  
No religion, no religion at all

No religion  
No religion at all  
No religion  
No religion at all

In VR land, the future of fun  
Tell me what to do  
In VR law, computer crime  
So sublime

A fantasy scene in my machine  
Give me secret of life  
Let me know yeah, what I am  
And you know that I could get

Outta the wasteland  
I'm into this head man  
I'm outta the wasteland  
No religion at all

I'm outta the wasteland  
I'm into this head man  
I'm outta the wasteland  
No religion, no religion at all

I'm outta the wasteland  
So far from the the dead land  
I'm outta the wasteland  
No religion, no religion yeah

I'm outta the wasteland  
So far from the the dead land  
I'm outta the wasteland  
No religion, no religion at all

No religion, no religion at all  
No religion  
No religion, no religion at all  
No religion

No religion, no religion at all  
No religion  
No religion, no religion at all  
No religion at all

No religion at all  
No religion

No religion, no religion at all  
No religion  
No religion, no religion at all

I'm outta the wasteland
