If I, I get to know your name
And I, could trace your private number, baby

All I know is that to me
You look like you're lots of fun
Open up your loving arms
I want some, want some

I set my sights on you (and no one else will do)
And I (I, I, I), I've got to have my way now, baby

All I know is that to me
You look like you're having fun
Open up your loving arms
Watch out here I come

You spin me right round, baby
Right round like a record, baby
Right round, round, round

You spin me right round, baby
Right round like a record, baby
Right round, round, round

I got to be your friend now, baby
And I would like to move in a little bit closer

All I know is that to me
You look like you're lots of fun
Open up your loving arms
Watch out, here I come

You spin me right round, baby
Right round like a record, baby
Right round, round, round

You spin me right round, baby
Right round like a record, baby
Right round, round, round

All I know is that to me

You look like you're lots of fun
Open up your loving arms
I want some, want some

You spin me right round, baby
Right round like a record, baby
Right round, round, round

You spin me right round, baby
Right round like a record, baby
Right round, round, round
