Youth youth youth
Youth youth youth
Never wanna be an adult
Always wanna be in revolt

Youth youth youth
Youth youth youth

Don't wanna spend my life saving up for things
Don't wanna have what a steady job brings
I don't want security
Don't want responsibility

Don't wanna stay at home not making any noise
I've always got to be out
I've always got to have a choice
I don't want security
Don't want responsibility

Youth youth youth
Youth youth youth

I don't want no uniform
I don't want no book of rules

Youth youth youth
Youth youth youth

Never wanna be an adult
Always wanna be in revolt

Youth youth youth
Youth youth youth

I don't want no uniform
I don't want no book of rules
