Well, you went uptown riding in your limousine
With your fine Park Avenue clothes
You had the Dom Perignon in your hand
And the spoon up your nose

ooooh

And when you wake up in the morning
With your head on fire
And your eyes too bloody to see
Go on and cry in your coffee
But don't come bitchin' to me

Because you had to be a big shot, did cha
You had to open up your mouth
You had to be a big shot, did cha
All your friends were so knocked out
You had to have the last word, last night
You know what everything's about
You had to have a white hot spotlight
You had to be a big shot last night

wooo-oooohhh

ya!

aaaaayyyyyy

They were all impressed with your Halston dress
And the people that you knew at Elaine's
And the story of your latest success
Ya kept 'em so entertained

ahhhhhh

But now you just can't remember
All the things you said
And you're not sure you want to know
I'll give you one hint, honey
You sure did put on a show
Yes, yes, you had to be a big shot, did cha
You had to prove it to the crowd
You had to be a big shot, did cha

All your friends were so knocked out
You had to be the last word, last night
You're so much fun to be around
You had to have the front page, bold type
You had to be a big shot last night

oh!

woooo-oh-oh-ooooo x4

Well, it's no big sin to stick your two cents in
If you know when to leave it alone
But you went over the line
You couldn't see it was time to go home
No, no, no, no, no, no, you had to be a big shot, did cha
You had to open up your mouth
You had to be a big shot, did cha
All your friends were so knocked out
You had to have the last word, last night
So much fun to be around
You had to have a white hot spotlight
You had to be a big shot last night

ohhh

oh-uh wooo-ohhhhh x4
