Well, I'm alone and my mind's on fire, ha
I'm alone and my heart starts to stare

Won't you tell me that your mind goes on my fire and
my soul is invading?
Reach for my arms and my heart will be waiting for you
Tell me your mind though I'll surely blow my mind

Won't you tell me that your mind goes on my fire and
my soul is invading?
Reach for my arms and my heart will be waiting for you
Tell me your mind though I'll surely blow my mind

Did you hear what I say? (I made up my head)
Girl, I made up my head (If I don't get to the top)
If I don't get to the top (Yeah) I'll surely blow my mind

Well, I'm alone and my mind's on fire, ha
I'm alone and my heart starts to stare

Won't you tell me that your mind goes on my fire and
my soul is invading?
Reach for my arms and my heart will be waiting for you
Tell me your mind though I'll surely blow my mind

Did you hear what I say? (I made up my head)
Girl, I made up my head (I don't get to the top)
If I don't get to the top, I'll surely blow my mind

Won't you tell me that your mind goes on my fire and
my soul is invading?
Reach for my arms and my heart will be waiting for you
Tell me your mind though I'll surely blow my mind
(I'll really really) blow my mind
(I'll surely surely) blow my mind
(I'll really really) blow my mind
Blow my mind
