"Bye Bye"

Visit "[Bye Bye](#)" on MotoLyrics.com

I have been sleeping
She didn't wake me to a day
Why am I sleeping?
I should be on my way
Where is my lady?
What is she doing tonight?
Oh, where is my lady?
Won't somebody show me the light?

Bye-bye
Bye-bye

What is the matter?
Something is happening to me
Oh, what is the matter?
Tell me what I want to see, ahhh
Is there a reason?
Is there a move I should make?
Oh, is there a reason?
Is there a chance I should take?

Bye-bye
Bye-bye

I have been sleeping
She didn't wake me to a day
Oh oh, why am I sleeping?
I should be on my way, ahhhh ahh ahh ahh
Where is my lady?
What is she doing tonight?
Oh oh, where is my lady?
Won't somebody show me the light?

Bye-bye
