It's evening in the desert
I'm tired and I'm cold
But I am just a soldier
I do what I am told

We came with the crusaders
To save the holy land
It's Christmas in Fallujah
And no one gives a damn

And I just got your letter
And this is what I read you said
I'm fading from your memory
So I'm just as good as dead

We are the armies of the empire
We are the legionnaires of Rome

It's Christmas in Fallujah
And we ain't never coming home
We came to bring these people freedom
We came to fight the infidel
There is no justice in the desert
Because there is no God in hell

They say Osama's in the mountains
Deep in a cave near Pakistan
But there's a sea of blood in Baghdad
A sea of oil in the sand
Between the Tigris and Euphrates
Another day comes to an end
It's Christmas in Fallujah
Piece on Earth goodwill to men

It's Christmas in Fallujah
Hallelujah, hallelujah
It's Christmas in Fallujah
Hallelujah, hallelujah
It's Christmas in Fallujah
Hallelujah, hallelujah
It's Christmas in Fallujah
Hallelujah, hallelujah

Marry Christmas from Fallujah
Hallelujah, hallelujah
Marry Christmas from Fallujah
Hallelujah, hallelujah [5x]

Oo-ra!
