Don't go changing to try and please me
You never let me down before, mmm
And don't imagine you're too familiar
And I don't see you any more

I would not leave you in times of trouble
We never could have come this far, mmm
I took the good times, I'll take the bad times
I'll take you just the way you are

I need to know that you will always be
The same old someone that I knew
Oh what will it take til you believe in me
The way that I believe in you

I said I love you and that's forever
And it's a promise from the heart
I couldn't love you any better
I love you just the way you are

I don't want clever conversation, no, no
I never want to work that hard, mmm
I just want someone that I can talk to
I want you just the way you are
