Well, it's been building up inside of me
For oh, I don't know how long
I don't know why but I keep thinking
Something's bound to go wrong
She looks in my eyes
And makes me realize when she says

(Don't worry baby)
Don't worry baby
(Don't worry baby)
Everything will turn out all right
(Don't worry baby)
Don't worry baby
(Don't worry baby)

I guess I should've kept my mouth shut
When I start to brag about my car
But I can't back down now
Because I've pushed the other guys too far
She makes me come alive
And makes me wanna drive when she says

(Don't worry baby)
Don't worry baby
(Don't worry baby)
Everything will turn out all right
(Don't worry baby)
Don't worry baby
(Don't worry baby)

She told me, "Baby, when you race today
Just take along my love with you
And if you knew how much I love you, baby
Nothing could go wrong with you"
Oh, what she does to me
When she makes love to me and she says

(Don't worry baby)
Don't worry baby
(Don't worry baby)
Everything will turn out all right
(Don't worry baby)

Don't worry baby

(Don't worry baby)
Everything will turn out all right
(Don't worry baby)
Don't worry baby
(Don't worry baby)
Everything will turn out all right
(Don't worry baby)
Don't worry baby

(Don't worry baby)
Everything will turn out all right
(Don't worry baby)
Don't worry baby
(Don't worry baby)
Everything will turn out all right
(Don't worry baby)
(Don't worry baby)
