Written by John Davenport and Eduardo Cooley

Never know how much I love you
never know how much I care
When you put your arms around me
I get a fever that's so hard to bear
Huh! Ow, mama!

You give me fever when you kiss me
fever when you hold me tight
Feel the fever in the morning
Ow! Fever all through the night
All right, ga! Huh!

Mmmm
Sha! Na na na

Sun lights up the daytime
the moon, the moon lights up the night
Well I, I light up when you call my name
Yes I know
I know I know you're gonna treat me right
Huh! Ow, you give it 2 me!

You give me fever in the morning
Fever when you hold me tight
Feel the fever, ah la la
Give me fever, fever
Fever all through the night
Got to have it
All right, yeah yeah

Huh! Gah! Oh yes I've got to have it!
Ahhhh! I got the fever running through my head
Fever's side, you know what to do
Got the fever, ow! Please
Ohhhh, I know what you're doing
Let me feel it, help me, mama
Just feel, feel, feel the fever

Cha! Yeah!

Sun, sun, sun, sun lights up the daytime
And the moon lights up the night, well now
Well I, I light up when you call my name
I know I know I know you're gonna treat me right
Huh! Ow, you got to have it!

You give me fever burning in
Turn me up for what to do
Can't stand it
So hot in here
I want a solid cool off for a while
Leave me alone
Leave me alone
Leave me alone
Fever, fever, fever, fever
I gotta wake up and get away
Now, now, I get away, ow!
Please, stop burning
Stop burning
Stop burning
