Written by William M. Joel and John Dizek

Come away with me
I want you to see
There's a different world
Over the sea
Beyond the sky
Further than heaven

If you come away
You must leave today
There's no turning back
You'll have to stay
Beyond the sky
Further than heaven

If you really want to go
Hurry up and let me know
Just a simple "yes" or "no"
The rest is up to me

I don't want you there
You'll become aware
Of all the beautiful things
That we can share
Beyond the sky
Further than heaven

Climb aboard my ship of dreams
It's our new world though
It seems so far away from you
Leave your clouded world behind
Fly away and you will find
When all I say is true

Take my hand and run
Like used past of sun
Will sit back
And watch everyone
Beyond the sky
Further than heaven

[Long instrumental break]

Come away with me
I want you to see
There's a different world
Over the sea
Beyond the sky
Further than heaven

Climb aboard my ship of dreams
It's our new world though
It seems so far away from you
Leave your clouded world behind
Fly away and you will find
When all I say is true
