Written by Van McCoy

Givin' up is hard to do
When you (really love someone)
Givin' up is hard to do
When you (still depend upon)

Her warm and tender touch
Her kiss and her caress
That used to mean so much
And bring you happiness

Givin' up is hard to do
I try (but I can't break loose)

The light of hope burns dim
But in my heart I pray
My love and faith in her
Will bring her back someday

(No, I can't break loose)

The light of hope burns dim
But in my heart I pray
My love and faith in her
Will bring her back someday

Whether she knows or not
She really needs me too
Lord, she's all I've got
And giving up is so hard to do
