You shake my nerves and you rattle my brains
The way you love him, man, he drives me insane
You broke my will, but what a thrill
Goodness gracious great balls of fire!

I chewed my fingers and I rattle my thumbs
You make me nervous but, oh, it's fun
C'mon baby, drive me crazy
Goodness gracious great balls of fire!

Hold me baby
Ooooh feels good
Kiss me baby
I want to love you like a lover should
You're fine, so kind
Got to tell this world that you're mine, mine!

I chewed my fingers and I rattle my thumbs
You make me nervous but, oh, it's fun
C'mon baby, drive me crazy
Goodness gracious great balls of fire! Oh my!

Hold me baby
Ooooh feels good, ma!
Kiss me baby
I want to love you like a lover should
You're fine, so kind
Got to tell this world that you're mine, mine!

Whoa oh oh

You shake my nerves and you rattle my brains
The way you love him, man, he drives me insane
You broke my will, but what a thrill
Goodness gracious great balls of fire!

Ow!
