

Billy Joel "Jeans On"

When I wake up in the mornin' light
I pull on my jeans and I feel all right
I pull my blue jeans on, I pull my old blue jeans on (ch-
ch)
I pull my blue jeans on, I pull my old blue jeans on (ch-
ch)

It's the weekend, and I know that you're free
So pull on your jeans and come on out with me
I need to have you near me, I need to feel you close to
me (ch-ch)
I need to have you near me, I need to feel you close to
me

You and me, we'll go motorbike ridin' in the sun and
the wind and the rain
I got money in my pocket, got a tiger in my tank
And I'm king of the road again

I'll meet ya in the usual place
I don't need a thing, 'cept your pretty face
And I need to have you near me, I need to feel you
close to me (ch-ch)
I need to have you near me, I need to feel you close to
me (ch-ch)
I need to have you near me, I need to feel you close to
me (ch-ch)

You and me, we'll go motorbike ridin' in the sun and
the wind and the rain
I got money in my pocket, a tiger in my tank
And I'm king of the road again

When I wake up in the mornin' light
I pull on my jeans and I feel all right
I pull my blue jeans on, I pull my old blue jeans on (ch-
ch)
I pull my blue jeans on, I pull my old blue jeans on (ch-
ch)
I pull my blue jeans on, I pull my old blue jeans on (ch-
ch)
