Written by Lawrence Weiss

Well you took away your sunshine  
Put your darkness over me  
A mountain of a shadow of a man of misery  
Once upon a time I was a king upon a throne  
Now I'm like a puppy dog  
Just begging for a bone  
I'm singing a song, baby (song)  
Let's put ourselves together (come on)  
I'm singing a song, baby (song)  
That's in the stormy weather

I'm just holding on, baby  
And we're makin' it through the day  
I'm just holding on, baby  
'Till you bring that sweet antennae lovin' back my way,  
hey

Now now now

When you said you loved me, girl  
You set my world on fire  
Though my head would have a dream  
My heart was sweet desire  
Took my lover to the sky  
I couldn't see the ground  
Girl you only took me off  
To just a little mountain  
I'm singing a song, baby (song)  
Now get yourself together (come on)  
I'm singing a song, baby (song)  
That's in the stormy weather

I'm just holding on, baby  
And we're makin' it through the day  
I'm just holding on, baby  
'Till you bring that sweet antennae lovin' back my way,  
hey

Now now now now now

Oh Lord, heh, ya ya ya ya

I'm just holding on, baby  
And we're makin' it through the day  
I'm just holding on, baby  
And we're makin' it through the day  
I'm just holding on, baby [to fade]
