(Traditional)

Life can be fine
'Cause you just got to look
And you will find
Oh oh 'cause love is everywhere you go, yeah
You just got to look
And you can make it so-o-o-o-o-o
You just got to look
And you will find
Yeah-eah-eah-eah-eah

You won't find love sittin' around
And you won't find love
If your head's hangin' down
Oh someday she's gonna find her, yeah
And I lost my friend back then
You're getting burned
You just got to look and you will find
Yeah-eah-eah-eah-eah

Life can be so nice
You're in for a big surprise
No more lonely nights
If you just open up your eyes

Ask my friend, it's true
Love ain't just for everyone but you, wo wo
Some days I'm gonna find her, yeah
And I lost my friend back then
You're getting burned
You just got to look and you will find
Yeah-eah-eah-eah-eah, owwww!

Life can be so nice
You're in for a big surprise
No more lonely nights
If you just open up your eyes

Ask my friend, it's true
Love ain't just for everyone but you, whoa whoa

Some days I'm gonna find her, yeah
And I lost my friend back then
You're getting burned
You just got to look and you will find,
Yeah-eah-eah-eah-eah

Love is everywhere you go, yeah
You just got to look
And you can make it so-o-o-o-o-o
Just got to look
And you will find, yeah-eah-eah-eah-eah
You just got to look
And you will find, yeah yeah yeah
You just got to look
And you will find
