She's got a way about her  
I don't know what it is  
But I know that I can't live without her  
She's got a way of pleasin'  
I don't know why it is  
But there doesn't have to be a reason anywhere

She's got a smile that heals me  
I don't know what it is  
But I have to laugh when she reveals me  
She's got a way of talkin'  
I don't know why it is  
But it lifts me up when we are walkin' anywhere

She comes to me when I'm feelin' down  
Inspires me without a sound  
She touches me and I get turned around  
She's got a way of showin'  
How I make her feel

And I find the strength to keep on goin'  
She's got a light around her  
And ev'rywhere she goes a million  
Dreams of love surround her ev'ewhere

She comes to me when I'm feelin' down  
Inspires me without a sound  
She touches me, I get turned around oh oh oh

She's got a smile that heals me  
I don't know why it is  
But I have to laugh when she reveals me  
She's got a way about her  
I don't know what it is  
But I know that I can't live without her any way
