I got one, but I don't wanna send this to Bruce. (Okay.)

So long, Sister Jean  
You always kept your habits clean  
You tried to teach me virtue  
A little passion couldn't hurt you  
Goodbye, Father John

I never cried felt like your son  
It's a patch-free situation  
That looks like half the congregation's gone  
I'm afraid that I've gone with them, Father John

So long, Rabbi Goh  
You want it more than just my soul  
You said "God keeps his eye on"  
Gozer send their box to Zion

Goodbye, Rabbi Goh  
When did you start to lose control?  
My circumcision grieves me  
Kosher dinners always leave me cold  
So goodbye, a manly fire Rabbi Goh

So long, Reverend Ike  
You were so unreal  
All he could tell me was heaven and hell  
Well then I'm advancing peel  
So long, Reverend Ike  
Goodbye, Billy Graham  
Brother Cook on his latest book on a holy land

Goodbye, Brother Cook--  
I don't have any more than that. We can keep that for,  
uh--(on an airplane)--oh, yeah, right, well I gotta have  
one of them, man.
