Listen boy

Don't want to see you let a good thing

Slip away

You know I don't like watching

Anybody make the same mistakes

I made

She's a real nice girl

And she's always there for you

But a nice girl wouldn't tell you what you should do

Listen boy

I'm sure that you think you got it all

Under control

You don't want somebody telling you

The way to stay in someone's soul

You're a big boy now

You'll never let her go

But that's just the kind of thing

She ought to know

Tell her about it

Tell her everything you feel

Give her every reason to accept

That you're for real

Tell her about it

Tell her all your crazy dreams

Let her know you need her

Let her know how much she means

Listen boy

It's not automatically a certain guarantee

To insure yourself

You've got to provide communication constantly

When you love someone

You're always insecure

And there's only one good way

To reassure

Tell her about it  
Let her know how much you care  
When she can't be with you  
Tell her you wish you were there

Tell her about it

Every day before you leave  
Pay her some attention  
Give her something to believe

Cause now and then  
She'll get to worrying  
Just because you haven't spoken  
For so long  
Though you may not have done anything  
Will that be a consolation when she's gone

Listen boy  
It's good information from a man  
Who's made mistakes

Just a word or two that she gets from you  
Could be the difference that it makes

She's a trusting soul  
She's put her trust in you  
But a girl like that won't tell you  
What you should do

Tell her about it  
Tell her everything you feel  
Give her every reason  
To accept that you're for real

Tell her about it  
Tell her all your crazy dreams  
Let her know you need her  
Let her know how much she means

Tell her about it  
Tell her how you feel right now  
Tell her about it  
The girl don't want to wait too long  
You got to tell her about it  
Tell her now and you won't go wrong  
You got to tell her about it  
Before it gets too late  
You got to tell her about it

You know the girl don't want  
To wait--you got to  
Tell her about it
