This is your life, you've got problems with your wife
She was makin' mashed potatoes now she gives you
Minute Rice
And she used to do your laundry now she sends it out
instead
And she always made believe that she was satisfied in
bed

That's what she used to say but that's how things were
yesterday
Looks like the good ole days were gone
That's how she used to be but that goes down as
history
Time has the way of movin' on

Oh I know she was there when you needed lovin' care
When she only used the car to drive the children
everywhere
And I'm sure she washed the windows I'm sure she
waxed doors
But now she doesn't call you her Prince Charming
anymore

That's what she used to say but that's how things were
yesterday
Looks like the good ole days were gone
That's how she used to be but that goes down as
history
Time has the way of movin' on

She's not the sweet little girl that she was before
You're not the end of the world anymore, you're not the
end of the world

She wins when you fight and she goes to school at
night
She leaves you home to babysit and watch [The Price Is Right](#)
And she wants the joint 2 count to see where all the
money goes
So she doesn't have to talk you into buying all the
clothes, solo

[humming ã??da-da-daã??Â[]]

That's what she used to say but that what things were
yesterday

Looks like the good ole days was bored

That's how she used to be but that goes down as
history

Time bridged the way of movin' on

She's not your li--little girl that she was before

You're not the end of the world anymore, you're not the
end of the world...end
