In the middle of the night

I go walking in my sleep
From the mountains of faith

to the river so deep
I must be looking for something

something sacred I lost
But the river is wide

and it's too hard to cross.

Even though I know the river is wide
I walk down every evening and I stand on the shore
I try to cross to the opposite side
So I can finally find what I've been looking for

Through the valley of fear

to a river so deep.
I've been searching for something

taken out of my soul

something somebody stole.

I don't know why I go walking at night
But now I'm tired and I don't wanna walk anymore
I hope it doesn't take the rest of my life
Until I find what it is I've been looking for

In the middle of the night

I go walking in my sleep
Through the jungle of doubt

to the river so deep.
I know I'm searching for something

something so undefined
That it can only be seen

I'm not sure about a life after this
God knows I've never been a spiritual man
Baptized by the fire I wade
Into the river that is runnin' to the promised land

In the middle of the night

I go walking in my sleep
Through the desert of truth

to the river so deep
We all end in the ocean

we all start in the streams
We're all carried along

by the river of dreams
In the middle of the night

I go walking in the
in the middle of a ...
