When the rain is blowing in your face
And the whole world is on your case
I could offer you a warm embrace
To make you feel my love

When evening shadows and the stars appear
And there is no one there to dry your tears
I could hold you for a million years
To make you feel my love

I know you haven't made your mind up yet
But I would never do you wrong
I've known it from the moment that we met
No doubt in my mind where you belong

I'd go hungry, I'd go black and blue
I'd go crawling down the avenue
There's nothing that I wouldn't do
To make you feel my love

The storms are raging on the rollin' sea
And on the highway of regret
The winds of change are blowing wild and free
You ain't seen nothing like me yet

I could make you happy
Make your dreams come true
There's nothing that I would not do
Go to the ends of the earth for you
To make you feel my love

There is nothing that I wouldn't do
To make you feel my love
