"Ladies and gentlemen, The Hassles."
"This is Billy Joel of The Hassles, now that we'd like to do one of our favorite numbers and we hope it'll be one of your favorites."

I've been workin' with the travelin' band
Playing every single one night stand
Just so I can see this great big land
Workin' with the travelin' band
Workin' with the travelin' band

Ooh, I've been workin' when it's freezing cold
Many times I've been hot and cold
But I love to hear the rock and roll
Workin' with the travelin' band
Workin' with the travelin' band

Got no money, what do I care?
Got my music, got my long hair

Ooh-hoo
Yeah yeah yeah yeah
Oooooooh

I've been workin' with the travelin' band
Got no future and I got no plan
Catching horrors when I see the man
Workin' with the travelin' band
Workin' with the travelin' band

Wearing blue jeans, I ain't got no shoes
Feelin' all right, I ain't got no blues

Ooh-hoo
Oh yeah yeah yeah

Wearing blue jeans, I ain't got no shoes
Feelin' all right, I ain't got no blues

Woo-hoo, oh yeah

Oh yeah yeah
I'm workin' with the travelin' band
Workin' with the travelin' band
I said I'm workin' with the travelin' band
Workin' with the travelin' band
Yeah yeah yeah, workin' with the travelin' band
