Hey Lord, take a look around tonight  
And find where my baby's gonna be  
Hey Lord, would ya look out for her tonight  
'Cause she is far across the sea  
Hey Lord, would ya look out for her tonight  
And make sure she's gonna be alright  
And things are gonna be alright with me

Hey Lord, would you look out for her tonight  
And make sure all her dreams are sweet  
Hey Lord, would ya guide her along the roads  
And make them softer for her feet  
Hey Lord, would ya look out for her tonight  
And make sure that she's gonna be alright  
Until she's home in here with me

Hey Lord, would you look out for her tonight  
If she is sleepin' under the sky  
Hey Lord, make sure the ground she's sleepin' on  
Is always warm and dry  
Hey don't you give her too much rain  
But try to keep her away from pain  
'Cause my baby hates to cry

Hey Lord, won't you look out for her tonight  
'Cause it gets rough along the way  
Said Lord, if this song sounds strange  
It's just because I don't know how to pray  
So won't you give her peace of mind  
And if you ever find the time  
Won't you tell her I miss her ev'ry day
