Would you have me make the choice?  
Do I join the revolution?  
Will I be just another voice?  
In the chorus of confusion  
Well I don't know any more  
'Cause I fought them once before  
Guess I fought them in the Spanish Civil War  
Ohhhhh ohhh ohhhh ohhh ohhhh

Throw the fuel upon the fire  
Paint the fact and not the fiction  
Compose an anthem to inspire  
Reflect the human's crucifixion  
Well I tried it, won't ya know  
As a soldier in a snow  
In a dreary Russian winter long ago  
Ohhhhh ohhh ohhhh ohhh ohhhh

Hey, where's the revolution?  
Oh, 'cause I don't know  
Hey, where's the revolution?  
Oh, 'cause I don't know  
Hey, where's the revolution?  
Oh, 'cause I don't know  
Hey, where's the revolution?  
Oh oh oh oh ohhh, 'cause I don't know  
Oh no, I don't know

So I'm leaving in your hands  
To fulfill the obligation  
Can the measure of a man  
Be the fruit of his creation?  
Though our talk was incomplete  
And our meetings didn't meet  
I'll be with you when you're fighting in the street  
Ohhhhh ohhh ohhhh ohhh ohhhh

Hey, where's the revolution?  
Oh, 'cause I don't know  
Hey, where's the revolution?  
Oh, 'cause I don't know

Hey, where's the revolution?  
Oh, 'cause I don't know  
Hey, where's the revolution?  
Oh, 'cause I don't know  
Oh oh oh oh ohhh, 'cause I don't know  
Eee hee, hey, where's the revolution?  
Oh, 'cause I don't know  
Hey, where's the revolution?  
Oh, 'cause I don't know
