Slow down you crazy child
You're so ambitious for a juvenile
But then if you're so smart
Tell me why are you are still so afraid?

Where's the fire, what's the hurry about?
You better cool it off before you burn it out
You got so much to do
And only so many hours in a day

But you know that when the truth is told
That you can get what you want or you can just get old
You're gonna kick off
Before you even get halfway through
When will you realize
Vienna waits for you

Slow down you're doing fine
You can't be everything you want to be before your
time
Although it's so romantic
On the borderline tonight

Too bad but it's the life you lead
You're so ahead of yourself that you forget what you
need
Though you can see when you're wrong
You know you can't always see when you're right

You've got your passion, you've got your pride
But don't you know only fools are satisfied?
Dream on
But don't imagine they'll all come true
When will you realize
Vienna waits for you

Slow down you crazy child
Take the phone off the hook and disappear for a while
It's alright
You can afford to lose a day or two
When will you realize...

Vienna waits for you.
