Wonder Woman with your skin so fair
Wonder Woman with your long red hair
You have the velvet touch
You have her I want so much
My love is burning fire
My need is one desire

Hey hey, oh yeah yeah yeah
Ooh ooh ooh ooh, ooh ooh ooh ooh

Wonder Woman stole my heart away
Wonder Woman making war today
You came in a dead of night
You brought me a fire of light
My brain has lost control
Learn how to freeze it cold

Hey hey hey, oh oh oh, ooh ooh ooh ooh

Well I'm trying to tear you down
But I really can't explain
I've been out just trying to do all
But you're giving me pleasure when it comes to me,
baby
Oh yeah yeah yeah

Haaaaaaa, Wonder Woman I've heard the call
Wonder Woman, slap 'em to the wall
I can't believe you're mine
Your body feels so fine
My sensors have been drowned
You came and shot me down

Oh yes you did, oh you know it
Ooh ooh ooh ooh, ooh ooh ooh ooh ooh, ooh ooh ooh

Wonder Woman, you have got me in a spin
Jesus Christ, I can't believe the shape I'm in
Everything is all mixed up and upside down
Everything in this world is twirling 'round
Oh no no no, whoa, round and round and round

Awwwww, come on!
Wonder Woman with your skin so fair
Wonder Woman with your long red hair
You have the velvet touch
You have her I want so much
My sensors have been drowned
You came and shot me down

Oh yeah, ooh ooh ooh ooh
Ooh ooh ooh ooh ooh ooh, ooh ooh ooh ooh
Oh yeah ooh hoo
