I was thinkin' about you just last night  
I was wondering about you just last night  
Wanted to see what you'd be like  
Wanted to see you before the night turns light  
So that is why I'm asking for a night

See I liked the way you talked to me the other day  
Oh ! baby, baby, it was just your smile  
So that is why I'm callin' to see  
If you wanted to be with me  
So that is why I'm asking for a night  
Oh ! Yeah, so that is why I'm askin' for a night

Just a night, I'd ask you for just a night  
All I need is to see you for a night  
From that night then I'll be sure  
If I would want you more and more  
So that is why I'm asking for a night  
So that is why I'm asking for a night  
To be in love with you  
So that is why I'm asking for a night
