I hear music, I hear music  
I hear music, I hear music  
Like to tell someone how to be as one  
But they won't come out and sing my song  
Mr. Reggae, won't you help me now  
Sing the song loud today  
I hear music, I hear music

Just like birds of a feather  
We got to sing together  
We got to spread our love  
Along this lonely land  
We got to realize, we got to stop the lies  
We got to love this land  
Give her a helping hand  
We got to love this land  
Give her a helping hand

I hear music, I hear music  
I hear music, I hear Reggae music  
I hear music, I hear music  
I hear music, I hear music
