Ow
Oh yeah
If you wanna put a message
Through my heart
Shoot the arrow in the morning hey
I'm gonna rise and shine
And wake you up
And move you without warning
Call my name
I understand the reason for desire
The band I give to you will be the ring of fire
Something in your kiss that lasts forever
Burning in the heat for you
Love you 'round the clock
You get the best of what I got
Oh yeah
Gonna work all day to buy you pretty things
Cause you're such a pretty girl
You can work me overtime knock me out
Got my senses in a whirl
Like a locomotive burning down the track
You're my destination
One on one and kiss for kiss
You're my fascination
Something in your touch that holds the promise hey
You've got me feeling all shook up
Love you 'round the clock
You get the best of what I got
Oh yeah
I put my key inside your door
And it feels so good
When I come home at night
We're rocking the neighborhood
Rocking the neighborhood
Something that you read about in headlines
I feel the heat for you
I wann rock you 'round the clock
You get the best
You get the best of what I got
Oh yeah
You get the best of what I got
Ow

I wanna love you 'round the clock
(best of what I got)
Oh
You get the best of what I got
(best of what I got)
Ow
That's right
I wanna love you 'round the clock
(best of what I got)
Ow
Ooh yeah
(best of what I got)
That's right
You get the best of what I got
(best of what I got)
Oh yeah
Oh yeah
(best of what I got)
