Every time I think of you
I always catch my breath
And Iâ€™m still standing here and youâ€™re miles away
And Iâ€™m wondering why you left
And thereâ€™s a storm thatâ€™s raging
Through my frozen heart tonight

I hear your name in certain circles
And it always makes me smile
I spend my time thinking about you
And itâ€™s almost driving me wild
And thereâ€™s a heart thatâ€™s breaking
Down this long-distance line tonight

I ainâ€™t missing you at all
Since youâ€™ve been gone away
I ainâ€™t missing you
No matter what I might say

Thereâ€™s a message in the wire
And Iâ€™m sending you this signal tonight
You donâ€™t know how desperate Iâ€™ve become
And it looks like Iâ€™m losing this fight

In your world I have no meaning
Though Iâ€™m trying hard to understand
And itâ€™s my heart thatâ€™s breaking
Down this long-distance line tonight

I ainâ€™t missing you at all
Since youâ€™ve been gone away
I ainâ€™t missing you
No matter what my friends say

And thereâ€™s a message that Iâ€™m sending out
Like a telegraph to your soul
And if I canâ€™t bridge this distance
Stop this heartbreak overload

I ainâ€™t missing you at all
Since youâ€™ve been gone away
I ainâ€™t missing you

No matter what my friends say
I ain't missing you, I ain't missing you
I can lie to myself

And there's a storm that's raging
Through my frozen heart tonight
I ain't missing you at all
Since you've been gone away
I ain't missing you
No matter what my friends say
Ain't missing you, I ain't missing you
I ain't missing you
I can lie to lie, ain't missing you
I ain't missing you, I ain't missing you
