Had a dream you were with me last night
I was your prisoner in a castle
Hands tied
Yeah
Was it pain
Was it pleasure
You couldn't decide
No
A mistress who can call my name
I wanted more
Yeah
Cause baby I'm ready
Ready when you are
Ready in a heartbeat
A slave for love tonight
(ready when you are)
I'm ready when you are
That's right
Yow
Oh
Did you dream you were with me last night
Yeah
Was it paris in a hotel
Red light
Ooh la la
Hear me knockin' at your door
I've come back for me
Need some more
Cause baby I'm ready
Ready when you are
Ready in a heartbeat
A slave for love tonight
(ready when you are)
I'm ready babe
That's right
I'm ready for you
You're ready for me
I'm ready girl
Ready as anybody can be
Try another fantasy
You know you're mine
Anytime

Yeah
Cause
Cause I'm ready
Ready when you are
Ready in a heartbeat
A slave for love
Ready when you are
Ready in a heartbeat
A slave for love
Tonight
(ready when you are)
I'm ready when you are
Oh babe
Make a wish
Close your eyes
Wear another sleek disguise
(ready when you are)
Dream baby
Just dream
(ready when you are)
Sweat baby
Never know what you're gonna get
(ready when you are)
Ya never know what you're gonna get
So dream baby
(ready when you are)
Sweat baby
Sweat baby
Dreamin'
Never know what you're gonna get
Dream baby
