Desert highway to a memory I said that I'd come back  
for you  
By the jukebox at the starlight grill kickin' out an Elvis  
tune  
Are you waitin' little sister? Killin' time and dreamin' too  
You need a fraction of long distance love I'm drivin' all  
night  
For you, yeah

I'm gonna be there in a big way you can leave the radio  
on  
Like an outlaw like Jesse James another hundred miles  
is gone  
Sunrise to sundown I'm gonna turn you around yeah

Baby, I've been so lonely what am I s'posed to do?  
Out in the sun with passion out of my head for you  
Baby my heart's a mustang just let it run its course  
Take it up by the river I'm gonna give you more

Ride the rockin' horse, hey  
Ride the rockin' horse, yeah

Got the top down wishin' on a star underneath the  
Spanish moon  
Golden earring on the radio radar love is coming  
through  
She's a station on the interstate

I'm comin' with a message of love  
In the saddle you can ride all night rock around my  
glove  
Yeah

Sunrise to sundown I'm gonna turn you around  
Baby I've been so lonely what's a man s'posed to do  
Out in the sun with passion out of my head for you  
Proof papa's got the fever just let it run its course  
Take it up by the river I'm gonna give you more

Ride the rockin' horse, hey  
Ride the rockin' horse

Baby, I've been so, baby, I've been so, baby  
I've been so lonely, lonely, lonely, lonely  
So lonely so lonely so lonely  
(Ride the rockin' horse)  
Lo lo lo lo lonely, lonely yeah  
Baby I've been so, out of my head for you, wah  
(Ride the rockin' horse)  
Baby I've been so lonely, I am I am  
Baby, baby, baby  
(Ride the rockin' horse)  
Babe I've been so lonely what am I gonna do  
Thank you New York

(Ride the rockin' horse)  
(Ride the rockin' horse)  
(Ride the rockin' horse)
