Girl, sometimes it seems to me  
That I don't say the things I should to you  
I act like Iâ€™m no good  
And you wait for me patiently  
This house is not a home without you  
It takes two hearts to share

Your eyes will always see through me and bring me to  
my knees  
And I will always turn to you, you're everything I need

And through the good and bad times, you have always  
been there  
We hold each other close, you tell me it's alright  
The nights we fight about it, never dream of giving up  
Thatâ€™s the price of love, oh yeah

Love, sometimes it makes us cry  
Forgive me when I get it wrong  
Sometimes it's hard to be that strong  
And oh, I would do anything  
For you Iâ€™d turn the stars around,  
Iâ€™d find a way somehow

This time you see I built a bridge to you again  
Love shines, we'll sweep away the past  
Weâ€™re more than lovers, more than friends

And through the good and bad times, you have always  
been there  
We hold each other tight, you tell me it's alright  
The nights we fight about it, never think of giving up  
Thatâ€™s the price of love

Your eyes will always see through me and bring me to  
my knees  
And I will always turn to you, you're everything I need

And through the good and bad times, you have always  
been there  
We hold each other close, you tell me it's alright  
And sometimes I can't give enough

That's the price of love  
That's the price of love, oh yeah  
That's the price of love  
That's the price of love, of love
