On the streets of this town  
There is no surrender  
They've got a number for every name  
Buildings and shopping malls  
Seem like a stage for pretenders  
They criticize the clothes you wear  
They try to make you feel like a stranger  
Cause you do things they wouldn't dare  
Who cares who's right and who's wrong  
Because we know where we belong  
The wild heart is calling us  
Out in the night  
A primitive love in your eyes  
And out on the wasteland of broken dreams  
Go you and i  
We're the restless ones  
(oh)  
Oh yeah  
The restless ones  
Step outside of yourself  
And you'll see through the changes  
Leave your mark  
Let them know you came  
But don't lead the rest of your lives  
In plastic cages  
Cause you do things they wouldn't dare  
Who cares who's right and who's wrong  
Because we know where we belong  
The wild heart is calling us  
Out in the night  
A primitive love in your eyes  
And out on the wasteland of broken dreams  
Go you and i  
We're the restless ones  
(oh)  
Oh yeah  
That's all we'll ever be  
Yeah (oh)  
You're the restless one  
You're just like me  
And sometimes I just walk the streets at night  
Wonder where I'm going

Can't relate to nothing no more  
But listen you hear it call  
The wild heart is taking us  
Out in the night  
A primitive love in your eyes  
And sometimes I feel like a loaded gun  
Cause just like you  
I'm the restless one  
(oh)  
Oh yeah  
That's all I'll ever be  
Oh you're the restless one  
(oh)  
And baby you're just like me  
Oh  
(oh)  
Oh yeah  
You're the restless one  
You're the restless one  
(oh)  
And that's all we'll ever be
