Sometimes i wonder
If i'd ever make it through
Through this world
Without having in you
I just wouldn't have a clue
Cause sometimes it seems
Like this world's closing in on me
And there's no way of breaking free
And then i see you reach for me
Sometimes i wanna give up
Wanna give in
I wanna quit the fight
And then i see you baby
And everything's alright
Everything's alright
When i see you smile
I can face the world
Oh you know i can do anything
When i see you smile
I see a ray of light
Oh i see it shining
Right through the rain
When i see you smile
Baby when i see you smile at me
Oh yeah
Baby there's nothing in this world that could ever do
What the touch of your hand can do
It's like nothing that i ever knew
Hey
And when the rain is falling
I don't feel it
Cause you're here with me now
I wanna ask you baby
It's all i'll ever need
All i'll ever need
When i see you smile
I can face the world
Oh you know i can do anything
When i see you smile
I see a ray of light
Oh i see it shining
Right through the rain

When i see you smile baby
Baby when i see you smile at me
Sometimes i wanna give up
I wanna give in
I wanna quit the fight
Then one look at you baby
And everything's alright
Hey everything's alright
It's alright
When i see you smile
I can face the world
Oh you know i can do anything
When i see you smile
I see a ray of light
Oh i see it shining
Right through the rain
Yeah
When i see you smile
Yeah i can face the world
Oh you know i can do anything now
When i see you smile
Oh yeah
Baby when i see you smile
Smile at me
