Happiness
Billy Lawrence

OoohÂ...
Ohh happiness
Ooh ooh

Oh Happiness is what I feel when youÂ're around me
And baby donÂ't you know thatÂ's all I feel
Hey loving you is something so easy to do
You are a part of me, Baby thatÂ's all I need

Bridge1
You came into my life,
When my world seemed so un-right
You walked inside my dreams,
Dreaming to me is now reality
You are my precious one,
YouÂ're my sunshine when itÂ's raining
Now that you know all these things
I wanna welcome you in my arms of happiness

Chorus
Ohh Happiness (ohh happiness)
Feels so good to be alive
Ohh Happiness (ohh happiness)
Now that I know I have you by my side
Ohh Happiness (ohh happiness)
(I feel so happy baby)
Feels so good to be alive
Ohh Happiness (ohh happiness)
Now that I know I have you by my side

Ohh Happiness is all I feel when youÂ're around me

Whenever IÂ'm feeling down, I just make sure youÂ're
around
And I wish I could give you what youÂ've given to me
Just to know how I feel, Baby I know itÂ's for real

Bridge 2
You came into my life,

When my world seemed so un-right
You walked inside my dreams,
Dreaming to me is now reality
You are my precious one,
You're my sunshine when it's raining
Now that you know all these things
Let me welcome you in my arms of happiness

Chorus

(music break)

Ohh Happy Baby (ohh happiness)
Feels so good to be alive
Ohh Happiness (ohh happiness)
Now that I know I have you by my side
Ohh Happiness (ohh happiness)
(I feel so happy baby)
Feels so good to be alive
Ohh Happiness (ohh happiness)
Now that I know I have you by my side

Bride2

Chorus
(la, la, la, ...) 'til music fades
