Baby please don't go, baby please don't go  
Baby please don't go, you know I love you so  
Baby please don't go

Baby hold my hand, baby hold my hand  
Baby hold my hand and say you understand  
You know I love you so, baby please don't go

Well, I'm waitin' for you baby, knock upon my door  
If you don't come baby, I'll never sleep anymore

Baby please don't go, baby please don't go  
Baby please don't go, you know I love you so  
Baby please don't go

Baby hold my hand, baby hold my hand  
Baby hold my hand and say you understand  
You know I love you so, baby please don't go
