Saturdaynightlife
i love to live it
i love to live my crazy life
around the world
i always love to feel it
i love to live it through the lights

from milano to paris
going to new york city
everybody get down and dance with me
from ibiza on tv
berlin london italy
everybody come on and dance with me

come on and do it
come on and let you body go
and let the music take control
you've got to do it
come on and do it
and let the fever get you high
riding the saturdaynightlife
you've got to do it
