So if you want to be a star, babe
c'mon and get it out with me
Now let the music set you free, babe
c'mon you're gonna dance with me

C'mon and do it, get on down
gimme me love, I'll give you love
do it, get on down
gimme me love, I'll give you love
do it, get on down
gimme me love, I'll give you love
do it, get on down
gimme me love, I'll give you love

C'mon and do it, get on down
gimme me love, I'll give you love
do it, get on down
gimme me love, I'll give you love
do it, get on down
gimme me love, I'll give you love
do it, get on down
gimme me love, I'll give you love

So if you want to be a star, babe

c'mon and get it out with me
Now let the music set you free, babe
c'mon you're gonna dance with me

C'mon and do it, get on down
gimme me love, I'll give you love
do it, get on down
gimme me love, I'll give you love
do it, get on down
gimme me love, I'll give you love
do it, get on down
gimme me love, I'll give you love

C'mon and do it, get on down
gimme me love, I'll give you love
do it, get on down
gimme me love, I'll give you love

do it, get on down
gimme me love, I'll give you love
do it, get on down
gimme me love, I'll give you love
