You know  
I can see it too  
I'm dancing  
All around you  
I know what you want  
come , find me  
I'm dancing

Chorus:

Try me baby  
IÂ'm not an easy pleasure baby  
So lick me up and down and maybe  
IÂ'll make it come true now  
right on baby

Try me baby  
And keep on movinÂ' slowly baby  
I feel you push it on me , maybe  
I'll give it to you now  
right on baby

Ah ah ah ah ah!!!

I donÂ't mind Â'cause  
IÂ'm a fool  
For your lovinÂ'  
To be true  
I donÂ't care

So come over here

Tell me all your fantasies  
I'll fulfill them  
IÂ'm your dream  
Touch me there and go deep with it

Repeat Chorus:

Put me on you, upside down  
Make it soft and make it hard  
I donÂ't care about whoÂ's around

No regrets I swear to you  
Tell me what a man can do  
Grab me there  
hold my body in you

Repeat Chorus:

Keep, keep on moving  
I'm pushing on me out there

keep, keep on moving  
I'm pushing on me here (x2)
