INTRO:

[instrumental]

VERSE ONE:

Dreaming but I'm not sleeping.

Or have I died, died alive?

Swimming as I'm sinking,

I'm holding on to letting go, yeah.

Oh how does it feel

Making love to me like you do?

CHORUS:

Tell me who would you be?

Would you be me?

The woman in me?

Would you like to be under my skin?

I will let you in, yeah yeah yeah.

I want, I wanna know what you're feeling.

I wanna crawl under your skin.

I wanna know how you feel in me, yeah yeah yeah.

VERSE TWO:

Naked, oh I like you naked.

And when I fake it you like me more.

Exploring the taste I'm touching.

You're watching, I'm watching you, yeah.

[CHORUS]

MIDDLE 8:

So how would it feel

Making love to me if I were you? Ha, yeah.

Oh oh oh oh oh.

Making love to me like you do-oh oh oh oh.

[GUITAR SOLO]

BRIDGE:

Tell me, tell me,

Tell me, would you like to be me, yeah yeah yeah.

[CHORUS]

[BRIDGE]
