The joker is
What they call me
My friends say I've
Never seemed so gay
But if they only knew
How much I cry for you
Their laughter would
Surely fade away
The joker
Is always laughing
As though he's the
Gayest guy in town
He plays a winning part
While memories crush his heart
Yet he goes on laughing
Like a clown
I tried so hard
To pretend, dear
That losing you
Meant nothing to me
But till you're mine

Once again, dear
Make believe is all
My life will be
Ha ha ha ha ha ha
The joker
Though he seems happy
Because you have
Found the someone new
But somewhere deep inside
Beneath his strange disguise
The joker is crying over you
I tried so hard
To pretend, dear
That losing you
Meant nothing to me
But till you're mine
Once again, dear
Make believe is all
My life will be
Ha ha ha ha ha ha
The joker
Though he seems happy
Because you have
Found the someone new
But somewhere deep inside
Beneath his strange disguise

The joker is crying over you
