The joker is  
What they call me  
My friends say I've  
Never seemed so gay

But if they only knew  
How much I cry for you  
Their laughter would  
Surely fade away

The joker  
Is always laughing  
As though he's the  
Gayest guy in town

He plays a winning part  
While memories crush his heart  
Yet he goes on laughing  
Like a clown

I tried so hard  
To pretend, dear  
That losing you  
Meant nothing to me

But till you're mine  
Once again, dear  
Make believe is all  
My life will be  
Ha ha ha ha ha ha

The joker  
Though he seems happy  
Because you have  
Found the someone new

But somewhere deep inside  
Beneath his strange disguise  
The joker is crying over you

I tried so hard  
To pretend, dear

That losing you  
Meant nothing to me

But till you're mine  
Once again, dear  
Make believe is all  
My life will be  
Ha ha ha ha ha ha

The joker  
Though he seems happy  
Because you have  
Found the someone new

But somewhere deep inside  
Beneath his strange disguise  
The joker is crying over you
