I used to think that love was such a fairy tail
Until that first hello, until that first smile
But if i had to do it all again
I wouldn't change a thing, cos this love is everlasting
Suddenly, life has new meaning to me
There's beauty up above, and things we never take
notice of
You wake up, suddenly your in love
Ooh yeah
Girl your everything a man could want and more
One thousand words are not enough to say what i feel
inside
Holding hands as we walk along the shore
Never felt like this before, now your all that im livin for
Suddenly, Life has new meaning to me
There's beauty up above, and things we never take
notice of
You wake up, suddenly your in love
Each day I pray, this love affair will last forever
Oh hoh
Suddenly, Life has new meaning to me
There's beauty up above, and things we never take
notice of
You wake up, suddenly your in love
Ooh
There's beauty up above, and things we never take
notice of
You wake up, suddenly your in love
