I used to think that love was just a fairy tale  
Until that first hello until that first smile  
But if I had to do it all again I wouldn't change a thing  
Cause this love is everlasting  
Suddenly life has new meaning to me  
There's beauty up above and things we never take  
notice of  
You wake up suddenly you're in love  
Girl you're everthing a man could want and more  
One thousand words are not enough to say what I feel  
inside  
Holding hands as we walk along the shore  
Never felt like this before now you're all I'm living for  
Each day I pray this love affair would last forever  
There's beauty up above and things you never take  
notice of  
You wake and suddenly you're in love
