come bring me your softness, comfort me through all
this madness
woman don't you know with you i'm born again?
come give me your sweetness, now there's you there's
no weakness
laying safe with in your arms, i'm born again

i was half not whole, instead with nonreaching
through this world, in need of one

come show me your kindness, in your arms i know i'll
find this woman don't you know with you i'm born
again? laying safe with you i'm born again, come bring
me your softness, comfort me through all this
madness woman don't you know with you i'm born
again?

come give me your sweetness, now with you there's no
weakness (no weakness) laying safe with in your arms
i'm born again (woman don't you know with you i'm
born again?)i was half not whole, instead with none
reaching through this world, in need of one

come show me your kindness, in your arms i know i'll
find this, woman don't you know with you i'm born
again? laying safe with you i'm born again.
