I've been your hound  
But now I'm breaking this chain  
Too late to throw me a bone  
I'm sick of fetching and sleeping in the rain  
Ole Sparky's hittin' the road

I won't be howlin' 'round your house  
Won't be scratchin' your door  
Won't be howlin' 'round your house  
Ain't your dog no more

I graduated from obedience school  
I'd roll and sit when I was told  
Woke up hungry, went searchin' for some food  
Some other Rover's at the dog food bowl

I won't be howlin' 'round your house  
Won't be scratchin' your door  
Won't be howlin' 'round your house  
Ain't your dog no more

The pack you found me with  
Was bayin' at the moon  
I begged to follow you home  
Tonight I heard 'em, they was playin' my tune  
Don't bother callin' girl, I'm dog gone

I won't be howlin' 'round your house  
Won't be scratchin' your door  
Won't be howlin' 'round your house  
Ain't your dog no more

Won't be howlin' 'round your house  
Ain't your dog no more  
I ain't your dog no more
