WRITERS KEITH COLLIE, ALEX HARVEY

I'm dreaming tonight of a hollow  
With a clear mountain stream  
A cabin with a window on a hillside  
Where I used to dream  
The moonlight at midnight made heaven  
I'm so close to home  
And it gave me the only real peacefulness  
I've ever known  
And I'm in a bluegrass state of mind  
And I miss that Kentucky girl that I left behind  
Hearts like the ones in my homeplace are so hard to  
find  
I'm in a bluegrass state of mind  
She had the eyes of an angel  
And the heart of a great thoroughbred  
With visions of a good loving man

Dancing around in her head  
And I was the one that she graced  
With her beautiful love  
Now I am the one left to wonder  
Who she's dreaming of  
And I'm in a bluegrass state of mind  
And I miss that Kentucky girl that I left behind  
Hearts like the ones in my homeplace are so hard to  
find  
I'm in a bluegrass state of mind  
I'm in a blue, blue, bluegrass state of mind
