3 A.M. an' I can't sleep
Watchin' war on my TV
Without the sound
My family is tucked in tight
But somehow, God, I feel like
I let You down

Did I forget to pray?
Yeah, get down on my knees
Thank You for the things, everything I need today
There's a cross around my neck
To remind me that You're never far away

Have I been missin' all the things
That You really have to say?
God, did I forget to pray?

Now we're all blessed here on my block
Is that where I let my heart stop?
There's a world out there
I see all the pain an' sufferin'
I been so busy doin' nothing
I forgot to care

Did I forget to pray?
Yeah, get down on my knees
Thank You for the things, everything I need today
There's a cross around my neck
To remind me that You're never far away

Have I been missin' all the things
That You really have to say?
God, did I forget to pray?

There's a cross around my neck
To remind me that You're never far away
Did I forget to listen?
Was I too wrapped up in doin' things my way?
God, did I forget to pray?

God, did I forget to pray?
